The Conservator of Forests
in Mysore.

The Secretary to the Govt of Mysore,
Revenue Department.

Sir,

I have the honour to state that in Govt Order No 91-102/D.8-23-2 dated the 2nd January 24, sanction was accorded for sinking temporary wells in forests resorted to by cattle and a sum of Rs 500, to begin with, was placed at my disposal for the purpose.

2. The Comptroller in his letter No R.D.76 dated the 30th January 1924 (copy enclosed) opines that this expenditure is to be incurred in malnad forests and not in the maidan forests. But no

wells are necessary in the Malnad forests where sufficient natural facilities already exist. The proposal was made on the motion of the Deputy Commissioner, Kolar, who reported that water was scarce in the forests of that District. I therefore request that the Comptroller may be authorised to make the sanction available for expenditure in the maidan Districts. Some wells have been sunk in the forests of the Tumkur and Kolar Districts and the adjustment of the charges is pending.

I have the honour to be,
Sir,
Your most obedient servant,

B. Ramaswami

Conservator of Forests.

Copy of letter No R.D.76 dated 30th January 1924 from the Comptroller to the Conservator of Forests.

.....

In reply to your letter No 7900 dated the 29th January 1924 asking me to place funds at the disposal of the District Forest Officers of Kolar and Tumkur Districts, I have the honour to state that the Govt Order No 91-102/D.8-23-2 dated 2nd January 1924 contemplates the sinking of wells only in the Malnad Forests for the use of cattle from the Maidan Districts. As such, separate sanction of Govt may be kindly obtained for the sinking of wells in the Maidan Forests to enable me to place the sums requisitioned for in your letter under reply.
